Store and manage your energy efficiently. The Fogstar Energy 15kWh Rack Battery Bundle provides a reliable, user-friendly solution for residential energy storage. Built to Last

Is fogstar's Seplos Mason Battery Worth the money?

At £2,999.99 for 15kWh, this battery seems to be falling behind on value for money compared to Fogstar's Seplos Mason battery at the current price of £1,499.99. Both batteries are modular and can be connected in parallel to add extra capacity. Both come in a neat box or server rack. The big difference is that the Seplos Mason is a DIY kit.

What is the difference between Seplos Mason & 15kWh server rack battery?

The Seplos Mason kit requires assembling all the cells, the BMS and the busbars that connect them. It is not a simple job. On the other hand, the 15kWh server rack battery requires a relatively lower amount of work, even if you do DIY.
