"Vestas cuts 110 Colorado jobs at Brighton, Windsor blade factories". Denverpost.com. Retrieved 2 April 2015. ^"Expansion at world's largest wind turbine tower manufacturing plant, plans to create 850 new jobs in Pueblo, Colorado" (Press release). Burns & McDonnell. 4 April 2023. Archived from the original on 5 April 2023.

When will the new Vestas models be available?

The new models were to be available in 2010. In July 2009, Vestas announced its manufacturing operations on the Isle of Wight in England would close due to a lack of UK demand, affecting 525 jobs there and 100 in Southampton.

How will job losses affect the Vestas factory?

People living near the Vestas factory on the Isle of Wight have said they are concerned about the potential impact of job losses on the area. It was announced earlier this month that up to half of the 600-strong workforce at the Newport site could lose their jobs as demand for the blades they make comes to an end.
