SUNco representative who claimed that the emails did not contain the actual terms of their deal. In October of 2023, workers came to Mrs. Campbell's home, removed the existing solar panels from her roof, and installed a new roof with SUNco's solar panel system. She then received an email from an account bearing

Sunco is a classic bait and switch scam operation. We live in a Brooklyn Brownstone and had Sunco install a solar system. They promised, "you will never have a coned bill again. Their salesman swore to this in many conversations. At best we save 100 dollars a month. Their workmanship is awful. They got roof tar all over our home.
