

Why should you choose Bluesun solar?

WHY CHOOSE BLUESUN? Bluesun Solar Group is an international high-tech and growing group company, specializing in R&D, which manufactures solar modules, PV power generation systems and solar outdoor products. Bluesun Solar Co.,Ltd is a multinational clean energy company and a world leader in thin-film solar power.

Who is Bluesun solar?

COMPANY PROFILE Bluesun Solar,as one of the top solar integrated Solution provider in China,is a high tech enterprise specializing in R&D of solar panels,lithium battery and ESS. With overseas factories,warehouses and professional technical teams supports,BLUESUN footprints have reached over 185 countries and regions by the end of year 2022.

What is a Bluesun solar system kit?

Customized solar system , From solar panel to inverter to the screws - Bluesun system kits contain all of the components necessary to construct and operate a solar power system. Once the Bluesun kit is delivered, it is ready to be installed. Bluesun can provide 12V 24V 48V 51.2V and high voltage lithium ion batteries.

What type of batteries does Bluesun provide?

Once the Bluesun kit is delivered,it is ready to be installed. Bluesun can provide 12V 24V 48V 51.2V and high voltage lithium ion batteries. Mainly used in solar energy storage systems,energy (wind) household systems,off-grid /distributed power station,solar building systems.
