Le territoire britannique de l'océan Indien [2] (en anglais : British Indian Ocean Territory, BIOT) est un territoire britannique d'outre-mer situé dans le centre de l'océan Indien. Son étendue territoriale a voulu dans le temps pour se limiter actuellement à l'archipel des Chagos. La souveraineté du Royaume-Uni sur cet archipel est contestée par Maurice et les Maldives [3].

The situation in the British Indian Ocean Territory is completely different and not comparable, and I regret that in a way this decision has been made against the backdrop of a Conservative leadership contest, and that colleagues who know a lot better have sought to make partisan points with something so important.
