

Who is EKT batteries?

EKT is a leading lithium battery manufacturer for solution providers, original equipment manufacturers, and end users. Our over 10 years of experience and expertise in lithium batteries means we have the experience needed to manufacture quality batteries. We back all our products with a comprehensive service guarantee.

Who is EKT (EIKTO) lithium battery?

We Power Your Business ! |EKT (EIKTO) Lithium battery is world's largest manufacturer of Lithium Battery for Material Handling Equipment. We are the official supplier of top OEMs, also, is a pioneer to bring a cost-effective Lithium battery solution for global market. Our product ranges from 24V, 36V, 48V, 72V until 80V.

What makes EKT a good battery company?

EKT has a state-of-the-art manufacturing facility and R&D center to ensure that our lithium batteries, lithium battery modules, and lithium battery systems are always of the highest quality during development, manufacturing, and testing.

Does EKT offer a cloud-based service?

EKT can offer cloud-based service thanks to the implementation of telematics and a mobile phone APP (Lithium Partner) When it comes to the components, you can precisely check each battery system's details from the EKT database. Haven't Found The Right Forklift Battery Yet?

How long does EKT take to fix a battery problem?

EKT's responsive service team and network are committed to resolving your problems within 48 hours. EKT can offer cloud-based service thanks to the implementation of telematics and a mobile phone APP (Lithium Partner) When it comes to the components, you can precisely check each battery system's details from the EKT database.
