

How long is a water heater warranty?

Most water heater warranties are similar in length and verbiage. However, they can vary by brand. Tank water heaters have a 6-year warranty on the water heater and 1 year on labor. Tankless units have a 12-year warranty on the heat exchanger, 5-years on parts, and 1-year on labor.

Are all water heater warranties the same?

Comprehensive When it comes to warranties, not all are created equal. Generally, water heater warranties cover the repair and replacement of defective parts, often differentiating between the tank and the components. A common issue that can arise is your gas water heater not heating effectively or consistently.

Are gas storage water heaters Energy Star certified?

ENERGY STAR certified gas storage water heaters are currently available from contractors and retailers. If need to replace your gas water heater soon, consider these suggestions: Plan ahead if you can.

Why do you need a warranty for a gas water heater?

The need to have such verifications is to ensure that the environment during installation will not lead to the water heater ruining before its time. A great example is installing a gas water heater in a dump surrounding, poor ventilated, dirty crawlspace and a place with dirt and chemicals. In such a case, the warranty becomes null and void.

Does a home warranty cover a tankless water heater?

All 3 of our home warranty plans include coverage for the parts and components of water heaters, including tankless heaters and circulating pumps. Note that we do not cover auxiliary holding or storage tanks, or fuel storage tanks. Please see the coverage details on the page above or the for more information on limitations and exclusions.

Can a warranty be void on a gas water heater?

A great example is installing a gas water heater in a dump surrounding, poor ventilated, dirty crawlspace and a place with dirt and chemicals. In such a case, the warranty becomes null and void. This is because all these conditions will lead to the ruin of the water heater.
