

Which islands are inhabited in the Northern Marianas?

The vast majority of the population resides on Saipan, Tinian, and Rota. The other islands of the Northern Marianas are sparsely inhabited; the most notable among these is Pagan, which was left largely uninhabited since a 1981 volcanic eruption. The administrative center is Capitol Hill, a village in northwestern Saipan.

How many people live in the Northern Mariana Islands?

As of the 2020 Census, except for the U.S. Minor Outlying Islands, the Northern Mariana Islands are the second least populous sub-federal jurisdiction in the United States, next to American Samoa. However, the islands population has fluctuated over time hitting 80 thousand in 2000, then declining to around 50 thousand in the 2010s.

Why is the Northern Mariana Islands a good place to live?

The Commonwealth of the Northern Mariana Islands benefits from its trading relationship with the federal government of the United States and cheap trained labor from Asia. The CNMI's economy has historically relied on tourism, mostly from Japan, and the garment manufacturing sector.

Are there public schools in the Northern Mariana Islands?

The Commonwealth of the Northern Mariana Islands Public School System operates public schools in the commonwealth and there are numerous private schools. Northern Marianas College is accredited by the Western Association of Schools and Colleges and offers a range of programs similar to other small U.S. community colleges.

Who controls the executive branch in the Northern Mariana Islands?

Replicating the separation of powers elsewhere in the United States, the executive branch is headed by the governor of the Northern Mariana Islands; legislative power is vested in the bicameral Northern Mariana Islands Commonwealth Legislature and the judicial power is vested in the CNMI Supreme Court and the trial courts inferior to it.
