

Is Euronet bringing sustainable and efficient solar solutions to East Africa?

Euronet is thrilled to announce our expansion into Tanzania, marking a significant step in bringing sustainable and efficient solar solutions to East Africa. Join us at the Nigeria Energy Exhibition to explore the Euronet products, a cutting-edge power management system designed for reliable and efficient energy storage.

What is the Maldives solar project?

The Maldives solar project is a 36 MW solar power project and 50 MWh of battery energy storage solutions development across various islands in the Maldives. It also includes grid modernization for the integration of variable renewable energy with the grid, which will be financed under the proposed AIIB loan.

How can the Maldives meet its 2030 net-zero target?

The Maldives has received assistance from the World Bank through two projects to meet its ambitious 2030 net-zero target: the Accelerating Sustainable Private Investment in Renewable Energy (ASPIRE) project, which began in 2014, and the Accelerating Renewable Energy Integration and Sustainable Energy (ARISE) project, which was signed in 2021.

How is the World Bank helping the Maldives achieve net-zero?

The World Bank has been helping the Maldives transition to clean energy and achieve its 2030 net-zero target. The recent signing of an 11-megawatt solar project will see private energy investments deployed in six population centers across the archipelago.

Should investors invest in sustainable solar projects in the Maldives?

In 2014, the first 1.5 MW solar project under ASPIRE only had four investors bids, and resulted in a high power purchase price (PPA) of 21 US cents per unit of electricity, indicating a lack of interest from investors in investing in sustainable projects in the Maldives.

Will a 5 MW solar installation make Maldives a popular destination?

Now, one of the first sights for any of the 1.7 million tourists visiting the Maldives will be that of the 5 MW solar installation on the highway linking the airport island to Male and its satellite town of Hulhumale.
