Drangarnir Faroe Islands. The Faroe Islands are still a fairly new destination. Drangarnir is one of the main reasons why people are starting to notice this unspoiled Nordic archipelago. Drangarnir has risen to prominence. You might have seen the iconic sea-stack with a hole in it on Instagram.

It's not often we're blown away by a destination these days. As in proper "OMFGCantBelieveMyEyes" blown away. But having spent a week exploring all of the best things to see and do in the Faroe Islands (check our complete Faroe Islands itinerary here), it's safe to say it's a destination we'll be talking about for some time.. The raw and rugged landscapes of ...

Sonnenkraft blickt auf 30 Jahre Erfahrung in der Solarbranche zurück und ist damit ein traditionsreiches Unternehmen. Heute bietet das Unternehmen ein Gesamtsortiment rund um die Bereiche Wärme, Wasser, Strom und beschäftigt 200 Mitarbeiter an zwei Produktionsstandorten. Bereits seit 2005 fertigt KIOTO Photovoltaikmodule, ist Marktührer in ...

Norcrew is a service company with office based in the Faroe Islands and Iceland. We are a specialized service company, and we offer our services to industries all across the North Atlantic . Our employees are high quality workers and we provide staff for almost all areas within the construction and marine sector.

Driving the quality road system in the Faroe Islands is an adventure in its own right. A truly remarkable experience. Photo by Jannik Hubo known as @jannikhubo on Instagram. Simply driving from island to island and from one ...

The Faroe Islands are a small, super-scenic archipelago with a population of just 54,000 people (plus 70,000 sheep!). The country is a collection of rocky, rugged isles jutting out of the North Atlantic, at a midway point between Iceland, Norway and northern Scotland.
