

Short of building some sort of "box" to attach the fixture to to align the light with the cabinet, we can't think of other possibilities. The medicine cabinet is the Godmorgon from Ikea... and I ...

**Battery Enclosures** If you're using batteries with your off-grid system, you will need to protect them from the elements and separated from living areas. Often that means a dedicated enclosure. ...

I have a non-recessed medicine cabinet that's about 39in wide by 5.5 inches deep (Godmorgon from Ikea - they don't make the matching light any more, even tho it's in the pics!) The space ...
