

GPS is a green power, customer, centric group of professionals dedicated to the adoption of green technologies and creating a greener, safer world for all us and our children and their children's children. We started 14 years ago, by looking at developing a complete off grid community in one of the greenest countries in the world-New Zealand.

DIF Capital Partners (DIF), through the DIF CIF III fund, has announced the signing of a partnership agreement with Greener Power Solutions B.V. DIF CIF III will acquire a majority stake and provide capital that will allow Greener to develop its battery fleet in order to increase its service coverage in the Netherlands and abroad.

Greener Power Solutions provide services related to mobile battery solutions in the Netherlands with a portfolio of 60 containerized mobile batteries. Through its mobile batteries, the company provides contracted mobile green power solutions to customers who have insufficient or no grid connection capacity available.
