Amaron Batteries are designed to last a long time and dependant on the Amaron product you purchased, there will be a warranty period of anywhere between 1-3 years. Please take a picture of the tester with the battery serial number in the background and send with the warranty form including a copy of the paid invoice for the original battery.

Across the globe, especially in Australia, Amaron batteries have distinguished themselves in the automotive and power backup industries. Amaron batteries are the preferred option for customers looking for dependability because of their reputation for innovation, performance, and longevity. This brand, which is produced by the well-known Amara Raja ...

Amaron products are one of the best on the market if not "the best" and defiantly the best quality/price range than any other battery on the market, you really do get a quality battery for a competitive price. Amaron's Cold Cranking Amps (CCAs) are unmatched on all other batteries I have tested, for example, the 125D31 OR N70ZZ rated for ...
