Brighten Haiti (a 501c3 nonprofit) is on a mission to change that. Providing solar power to schools, hospitals and families installed by our solar apprentices. The Summer Solar Drive for Haiti is a Solar Industry benefit to finally get Haiti electricity. Ending energy poverty, empowering education and economic development.

A new solar startup is aiming to bring sustainable solar power to Haiti, an island known for its limited access

to electricity. In 2016, only 38 percent of Haitians were connected to the electrical grid, according to data from the World Bank. Those who do have electricity still experience frequent blackouts and unreliable power quality.
