

? I need advise on how to hang the Enhet bathroom cabinet on the plasterboard wall. The instructions do not make sense at all - the cabinet is way too heavy to hang it just on ...

I'm assuming this is only true for the base cabinets and the website just adds that line to any Enhet product. The reason being there's no mention in any manual about using a wall cabinet ...

IMPORTANT ENHET cabinets are supported by legs and can be installed with or without a plinth, depending on your personal preference. instruction for info on how to assemble the legs with ...
