What is advanced Cantonese content?

Advanced Cantonese content tends to be full of idioms, slang, and proverbs that make no sense when translated literally. A traditional approach won't cut it; you'll have to learn not only words but also entire phrases. In this article, we have listed 40+ advanced Cantonese phrases and sentences for advanced learners that will help you level up.

How do you greet people in Cantonese?

The first word you should learn in any language is "hello". When you're travelling in cities like Hong Kong, Macau, and some parts of China, "nei hou" (nei hou) is how you greet people in Cantonese. You can use this phrase when greeting a friend or addressing the service staff before seeking assistance. After all, a little politeness can go a long way.
