

Getting into the second half of the game and wanted a central storage facility to grab building supplies for on-hand inventory and general storage. I have a train going around to factories ...

However, it should be noted you CAN do this so it looks good so long as the other truck stations are part of a production line. For example, if your trucks are on the east end of the factory and ...

Leading manufacturer of industrial storage solutions including silos, oil field equipment, certified tanks, fuel storage tanks, trailers, and more. Providing high-quality products in Saudi Arabia, ...
