An element of hip hop production that goes back as far as the growth of the genre itself, sampling is fundamental to hip hop. In April last year, AKA filmed his episode of MTV Base's Yo!MTV Raps where he spoke the use of sampling in his catalogue. Where our most prominent memories of hip hop sampling go back to US artist's samples of funk and soul to ...

Sadhguru: To nourish the human being into a greater possibility, it is very important how the water, the air, the earth, the fire and the fifth dimension - which is the largest one, the space or akash - behave. The fundamental element is akash or the space. It is improper to call it the fifth element, because it is the element. All the other four just play upon it.
