

Kovol portable energy storage power supply

Is the kovol sprint 65W PD 4 port Gan desktop charger good?

Overall, the Kovol Sprint 65W PD 4-Port GaN Desktop Charger seems to be an appealing charger with a relatively compact size and reasonable weight for the power rating. The outputs were capable of meeting and exceeding the ratings, although perhaps the over-current protection was a bit too relaxed on the USB-C ports.

Does kovol sell in Australia?

This means that the product is not intended for supply to the Australian market which is not surprising given Kovol appears to be a US-distributed brand with importers in the UK, Germany and Japan. The side of the box has the "Live Simpler" slogan and their website URL.

Does kovol have an Australian regulatory compliance mark?

There are a number of certification logos on the box, however, the Australian Regulatory Compliance Mark is not amongst them. This means that the product is not intended for supply to the Australian market which is not surprising given Kovol appears to be a US-distributed brand with importers in the UK, Germany and Japan.
