

Who are the top contractors in Kuwait?

Kuwait's Heavy Engineering Industries & Shipbuilding Co. (HEISCO) is a new entry on the top contractors' list. The contracting company, which caters to a diversified range of businesses including oil and gas, petrochemicals, and several others, landed significant contracts in Kuwait and Saudi Arabia during the past year.

What is Petrofac doing in Abu Dhabi?

More recently, Petrofac secured an EPC contract from ADNOC Gas Processing for its Habshan Complex, West of Abu Dhabi. The contract, awarded to Petrofac Emirates, is valued at approximately \$700 million and involves the Engineering, Procurement, and Construction of a new gas compressor plant.

Who are the fastest-growing EPC contractors in the MENA region?

ROBT STONE is a new entry on our list, as it continues to emerge as one of the fastest-growing EPC contractors in the MENA region, especially in the UAE. Established in Abu Dhabi in 2006, the contractor has steadily grown over the last 17 years.

Who is Egyptian contractor Petrojet?

Egyptian contractor Petrojet, the executive arm of the Egyptian Petroleum Ministry, is back on the list this year after securing new contracts and executing several key projects in the region. In February 2023, Saudi Aramco Base Oil Co (Luberef) awarded a \$148.55 million EPC contract to Petrojet for the Yanbu Growth II expansion project.

How do EPC contractors balance conventional and decarbonisation opportunities?

They must strike the right balance between conventional and decarbonisation opportunities while allocating their resources accordingly. Over the past several years, EPC contractors in oil and gas have endured significant hardships such as low capital expenditure, which has led to financial losses, project backlogs, and significant layoffs.

Which EPC projects will Saipem & McDermott work together?

The contracts include EPC activities relevant to the Quiluma and Maboqueiro fields' development project off the northwest coast of Angola. Saipem will handle the EPC activities, including hook-up and commissioning assistance, of the Quiluma platform and of the relevant onshore natural gas processing plant. 5. McDermott
