

What solar products does Lubi electronics offer?

Lubi Electronics's solar product offerings include solar photovoltaic modules, solar pumping systems and solar inverters. We specialize in designing and manufacturing high-quality electrical panels for a wide range of applications. Our panels are custom-built to meet your specific needs and are built using only the quality materials.

Who is Lubi electronics?

Lubi Electronics specializes in manufacturing AC and DC solar pumping systems. Our products achieve industry leading efficiency with lowest carbon footprint. Pumps and motors account for 1/3 of all electricity used in the world. Join us solarize all pump and motor applications for a sustainable tomorrow.

Why should you choose Lubi electronics?

Lubi Electronics knows that clean affordable solar electricity is an essential part of the worldwide energy mix. Our experience across the solar value chain reduces risk while delivering more reliable, dependable and cost-effective solutions for our customers. Go solar, reduce your energy bills and make a positive impact on climate change.

Who is Lubi?

Lubi is focused to excel in manufacturing of electronic products/components used in Industrial applications. Lubi has an experienced design and production team with latest design software and tools, in-house automated production line set up and highly reliable testing facility. For more information visit the link.

What is Lubi's manufacturing facility?

Lubi's have fully automated state-of-the-art manufacturing facility is spread across 30,000 square feet area with special storage area for raw material and finished products. The manufacturing facility is equipped with world class machinery adaptable to technology development in the future.

Lubi Pumps is a top solar pump manufacturer. We provide a solution of solar water pumping systems for agriculture, domestic and industrial use. Lubi Pumps is a leading Water pumps and motors manufacturer company from India Since 1965. We being a pump manufacturer to one stop pumping solution provider.

Lubi Solar (Division of Lubi electronics) - Ahmedabad-based Solar Panel Manufacturing Company with having fully automatic state of art solar PV panel manufacturing line. Lubi Produces highly efficient solar panels such as Poly Crystalline and Mono Crystalline. PERC and Bi-facial Module which is made of high-efficiency cells procured by global ...

In many parts of India there is shortage of reliable electric power for homes and irrigation of fields where Lubi LSZ series of solar submersible pumping systems can make a remarkable contribution. The LSZ Solar Submersible pumping system offered by Lubi is a state of the art high technology product designed to provide a green and energy ...

About LUBI Electronics. LUBI Electronics is a leading company in India, exhibiting expertise in the automation, solar, and control panel industry. Our solar offerings include best-in-class solar modules, solar pumps, solar pump controllers and solar inverters. For more information on our offerings, please reach out to us at lubi@lubielectronics ...

Our patented LUBI's solar thermal collectors are the most efficient solar collectors in the world according to the CSA, SRCC and BAFA (German standard organisation). Our commitment to solar took a great leap with the acquisition ...

Lubi Pumps is a leading Water pumps and motors manufacturer company from India Since 1965. We being a pump manufacturer to one stop pumping solution provider. ... Lubi hits biggest milestone by offering excellent quality solar pumps. We are the leading solar module manufacturing company in India with automatic manufacturing of solar modules. We ...

World-Class Solar PV Modules. Lubi Electronics specializes in providing best in class Poly, Perc-Mono and Half-cut solar modules to reputed customers in India. We provide eco-friendly PV solutions which generate more energy at a competitive cost. Our passion for excellence drives us to source quality components through our global supply chains ...

Go solar today with Lubi Electronics. Monthly Electricity Bill INR0 INR500000. 0. Suggested Capacity (KW) 0. Required Space (Sqft) 0. Monthly Saving (KWH) 0. Monthly Saving (INR) 0 ton.
