

Where is a new energy storage system located in Mozambique?

The US\$32 million project is located in the Tete District of the city of Cuamba, Niassa province, about 550 kms west of the coastal town Nacala. The project is the first IPP in Mozambique to integrate a utility scale energy storage system and includes an upgrade to the existing Cuamba substation.

Who will supply Mozambique's first solar-plus-storage system?

Spanish-owned E22 will supply the battery system for the site. A grid scale solar-plus-storage project which has been described as Mozambique's first such system is set to be supplying power during the second half of next year.

What are Globeleq & Source Energia doing in Mozambique?

Globeleq and Source Energia are also developing one of the first wind projects in Mozambique located near the town of Namaacha 40km west of Maputo. In addition, Globeleq has recently pre-qualified to compete for the 40 MWp Dondo solar power project in Sofala Province and has been selected for two 15MWp solar projects in neighbouring Eswatini.

Why should you invest in the Cuamba solar and storage plant?

"The Cuamba solar and storage plant will provide greater energy security and stability in this region of Mozambique and marks a turning point for the Cuamba district. Globeleq, Source Energia and EDM have all invested in this project - a public-private partnership that demonstrates the confidence of international investors in Mozambique.

What is EDM doing in Mozambique?

Marcelino Gil, EDM Chairman explained EDM's commitment to the country energy mix based on the abundance of resources in Mozambique, with the visibility to promote clean and renewable energy toward the commitment of universal access to energy to all Mozambicans by 2030.

Africa-based independent power producer (IPP) Globeleq said financial close has been achieved on a solar PV project in Mozambique which will be integrated with energy storage. The Cuamba Solar PV plant will be a ...

The photovoltaic (PV) park is coupled with a 7-MWh battery energy storage system that creates Globeleq's first solar-plus-storage complex in Mozambique, the company said on Wednesday. Its partners in the project are ...

LinahSol Renewable Energy is a company working in the fields of central heating systems, solar energy, and projects of solar energy in particular. Its founder, the investor Badr Eldien El ...

The US\$36 million Cuamba Solar plant is also Globeleq's first greenfield project in Mozambique and the Group's first combined solar and storage plant in its operating portfolio. It supplies clean energy to EDM through a 25-year power ...

The Ministry of Mineral Resources and Energy (MIREME) of Mozambique has announced the launch of a new tender for decentralized solar photovoltaic (PV) and battery energy storage system (BESS) projects. Funded ...

Epsilon Energia Solar (EES) was incorporated in 2018 under the company's Act of Mozambique to serve rural communities by increasing their access to affordable sources of energy. With its headquarters in Maputo, EES is mainly ...

Mozambique's Ministry of Mineral Resources and Energy has kicked off a tender for the development of decentralized solar and battery storage systems in the provinces of Nampula, ...
