Replacement units have been provided under warranty, and fitted by Puredrive staff in a very timely manner. Technical support provided by Jack to our local installer Cavin at Doyle Electrical Services has also been first class. Excellent service from all concerned.

Does puredrive support a faulty battery?

Great support for a battery issue. After a bit of toing and froing with updates to the inverter and battery firmware, eventually one of the battery packs was identified as faulty. Puredrive support organised a replacement battery to be shipped next day and use the packaging to return the defective battery. All organised by puredrive.

Why should I install a puredrive home battery system?

By installing a Puredrive home battery system, you will be drawing power from the grid at the cheapest rates (don't worry our smart app will do that all for you), and with a full system install you can also sell your excess green power back to the grid.

What happened to puredrive & Duracell?

Puredrive has recently merged with Duracell, and we required new marketing material. It was a pleasure speaking to Jack, who got everything organised efficiently, 5* service. Date of experience: May 17, 2024 One of my five DC2 batteries died (the green LED wasn't lighting) after 14 months of use so Pavel was sent to check it out.
