

Can I store my electric bike outside?

However,if you have a balcony,you may have enough space to store your eBike in a bike tent outside. This storage method makes the most sense for apartment renters with balconies with smaller apartments. With this method,you do not have to worry about what little space you have obstructed by your electric bike.

Can a heavy electric bike be stored on the ground?

As a general rule,a heavy electric bike should be stored on the ground. E-bikes over 65lbs should not be stored using a wall mount. They can still be stored using a ceiling pulley,but the heavier the eBike,the greater the risk you take when hanging it for storage.

Can you store an electric bike vertically?

As a general rule,you can store your electric bike vertically from either the wall or the ceiling. When choosing the vertical storage solution that suits your needs,you'll want to consider the weight of your eBike,its tire size,and the size and environment of your storage space.

How to prepare an electric bike for winter storage?

As a general rule, to prepare your electric bike for winter storage, you should give it a thorough cleaning, take it to get a tune-up, remove the battery, and prepare a dry and mild environment for your electric bike. Cleaning your eBike before storing it for the winter can make or break your electric bike's lifespan.

How long do electric bikes last?

Electric bikes can last up to 10 years if properly maintained and stored. eBikes may only remain in working condition for a little over five years if you neglect the basic principles of maintenance and storage. We have created an entire article on how long electric bikes last if you want to learn more about an e-bike's lifespan.

How do you store an e-bike in a garage?

Still,a good storage idea is to use a bike cover with a strong,efficient lock to give you peace of mind,even if you're storing your e-bike in the garage. Or lock your bike to something sturdy,like a metal pole,fence,or bike rack. Again,bring your battery inside to prevent thieves from stealing it.
