Our most powerful solar generator ever. The Patriot Power Generator 2000X is worth its weight in gold in a blackout and charges in the sun. This solar power station charges more devices -- like your fridge -- for longer in a blackout. More capacity & more peak power than ever before.

This is not a solar charging system. But it has the heart which is a battery. A charger made for the battery and an inverter to turn the 12 volts into AC and USB DC voltage. The idea is to get the same function or better for less money. If you wanted this to be solar you would need the solar panels and charging controller for the battery.
