

What is Pelican Energy Partners?

Pelican Energy Partners is a highly specialized private equity firm focused on making strategic investments in energy services and manufacturing companies.

What is Pelican Energy Partners' new fund focusing on?

Pelican Energy Partners' latest fund focuses on equipment and services for nuclear power plants. Photo: Megan Varner/Reuters Pelican Energy Partners is applying lessons learned from years of backing oil-field-services companies as it deploys a \$450 million fund focused on businesses that cater to nuclear power plants.

Is Pelican a growth equity investor?

As growth equity investors, Pelican is dedicated to expanding nuclear energy services to support the sector. Completion of the transaction is expected in the third or fourth quarter of 2024, subject to the approval of GSE shareholders and the satisfaction of other customary closing conditions.

What makes Pelican a good investment?

Pelican, in its third fund, has a sophisticated, repeatable process to deliver excellence for investors and portfolio companies. This commitment to excellence aligns with our core values and never taking shortcuts. Pelican's pledge to ESG is also at the core of who we are, and energy's importance to the global economy is acknowledged.

Why should you invest in GSE & Pelican?

GSE has an excellent reputation in the market and provides a critical service that will benefit from new plant development and existing plant upgrades and extensions. As growth equity investors, Pelican is dedicated to expanding nuclear energy services to support the sector.

What is Pelican Energy Partners' EBITDA range?

Pelican Energy Partners targets businesses with EBITDA generally between \$1 million and \$15 million annually, while having the ability to consummate transactions with EBITDA up to \$30+ million. We work well with entrepreneurial management teams that demonstrate competitive advantages in a well-defined market segment.

Being selective in our approach to team building allows Pelican Energy Partners to leverage a unique depth of core operational understanding, which translates to real value for our management teams and entrepreneurs. Simply put, we can assess, structure, and grow investments in a way that cannot be done by a generalist fund filled with former ...
