

# Portable energy storage power supply 1800w

What is a 1800 watt portable power station?

The 1800 Watt Portable Power Station(TM) and Simultaneous Battery Charger allows for AC power in remote locations for convenient portable power. Able to run most corded tools, it provides 1800 Watts (15 amps) continuous power and 3600 Watts peak power.

Can the 1800 watt portable power station Power a corded tool remotely?

Not only can the 1800 Watt Portable Power Station(TM) power a corded tool remotely, but it also becomes a multi-port simultaneous charger for up to four DEWALT 20V MAX\*Batteries (including FLEXVOLT) when plugged into a wall outlet via extension cord (batteries and extension cord sold separately).

What can a portable power station charge?

A portable power station can charge and power a variety of devices, from small electronics like smartphones, tablets, laptops, and cameras to larger appliances such as mini-fridges, TVs, and even power tools.

What is a portable power station?

With an integrated temperature-controlled cooling fan and heavy-duty roll cage, the Portable Power Station(TM) is a durable and convenient power solution for a variety of uses. Is it a Set? We're confident of the quality of our products, and we'll repair, without charge, any defects due to faulty materials or workmanship within the specified warranty.

How to choose a portable power station?

When selecting a portable power station, consider your needs. For small devices like headphones and smartphones, a compact portable power station of around 100Wh is sufficient, similar to a big power bank. However, for larger devices such as refrigerators or TVs, opt for a more heavy-duty option with 500Wh or more.

How much power does a dcb1800b use?

Able to run most corded tools, it provides 1800 Watts (15 amps) continuous power and 3600 Watts peak power. The DCB1800B runs on four DEWALT 20V MAX\*batteries (including FLEXVOLT), and for high power applications, four 20V MAX\*3.0Ah DEWALT Batteries (DCB200) or higher amp hour are recommended to provide the best results.
