

Castries, April 9, 2024 - In keeping with its 2035 Strategic Business Plan, the St. Lucia Electricity Services Limited (LUCELEC) has launched ENERGYZE Holding Inc (ENERGYZE), a new ...

St Lucia Electricity Services Limited (LUCELEC) primarily manages the electricity supply in St Lucia. This state-owned utility generates, transmits, and distributes electricity across the island. LUCELEC operates a number of power plants, including diesel generators, a wind farm, and a solar farm, to provide electricity to its customers.

To become the leader by providing high quality and cost-effective complete Renewable Energy and Energy Management systems and solutions that will provide energy security, reliability, and dependability, off and on the grid, competitive electric power to St Lucia and the region.

The top prizes offered for Power Play are far from being the world jackpot records, but all of them are good for the locals. Typically, the top-winning amount begins at EC\$1,500 and continues to increase incrementally until it reaches EC\$150,000.. Usually, full matches occur every 3-4 months, so the top awards rarely exceed EC\$150,000.
