How much does a shopsolar kit cost?

ShopSolar kits are designed for do-it-yourself installation. For \$97, you'll receive a 60-minute training course with step-by-step modules and a handbook. The video course will teach you how to size, install and maintain your solar energy system.

Is shopsolar a scam?

No, ShopSolar is not a scam. Saving money through solar energy could take years. It comes down to where you live and how much energy you consume. With that in mind, ShopSolar may not be the right choice for you, but its products and services are not a scam. Payment options for ShopSolar include cash and loan.

Does shopsolar offer financing?

ShopSolar works with two financing organizations that offer financing terms of up to 144 months. Once your solar kit is installed and operational, you'll receive lifetime customer support. All kits also qualify for the 30% federal solar tax credit, according to the company. All kits also include an original manufacturer's warranty.
