

What is a modular SMA home storage battery?

Integrating the modular SMA Home Storage battery in the SMA Home Storage Solution offers homeowners full flexibility. They can expand their solar system any time and unlock the full potential of sustainable energy. This powerful and flexible battery perfectly complements SMA's hybrid inverters enabling energy solutions of today and tomorrow.

What is the SMA commercial storage solution?

The SMA Commercial Storage Solution enables businesses to increase their energy efficiency and reduce their dependency on conventional energy sources. With this solution, businesses can also reduce their energy costs for the long term and regain control of them.

What is SMA commercial energy solution?

SMA Commercial Energy Solution Reduce energy costs, be sustainable. Discover solar and storage solutions for your business. SMA Large Scale Energy Solution More than an investment: With our flexible solutions for PV and storage power plants, you're ready for a climate-friendly future. Stay up-to-date with the free SMA Newsletter.

When will SMA home storage be available?

Homeowners can enjoy powerful storage for an extended period, thanks to the battery's 8,000 life cycles and 10-year warranty. The SMA Home Storage will be available as from September 2023 for Germany and Austria. Belgium and Netherlands follow in October/November 2023. Availability for Italy is depending on country specific system certification.

Why should you choose a SMA storage system?

In doing so, an SMA storage system illuminates the darkness, even during a power outage. Our vision for more than 35 years has been to provide people all over the world with access to power from renewable energies. For this purpose, we develop systems and technologies that satisfy the individual needs of our customers worldwide:

Does the SMA home storage have a warranty?

The conditions of the SMA limited factory warranty apply. You can find additional information at SMA-solar.com. In combination with the SMA hybrid inverters, the SMA Home Storage offers unmatched flexibility, maximum solar energy, easy setup and adaptable energy management. Release the cable gland from the enclosure.
