As the first and foremost company in Albania's burgeoning market, we take pride in offering cutting-edge solutions in home automation, home cinema, smart locks, hotel automation, and top-notch hospitality equipment ...

Great add-on for solar batteries. Some smart-home chops. Only "smartens" 12 circuits, but is still relatively expensive. \$2,500 for the panel. Up to \$5,000 w/ installation. Span: A full, code-compliant electrical panel. Every circuit is controllable via app. Can help sidestep an expensive electric service upgrade.

Ne bashkepunim me ElectroSmart Albania jemi distributor zyrtar i brandit të njohur portugez ONLY Smart Buildings. VoltAL ofron shërbime profesionale bazuar në eksperiencën e gjatë të stafit tonë të teknikëve zbatues dhe inxhinjerëve projektues.
