

Snec energy storage hydrogen energy exhibition

What is the energy storage & hydrogen exhibition?

As one of the world's most influential energy storage and hydrogen events, the exhibition will occupy an area of over 70,000 square meters, bring together more than 600 core energy storage and hydrogen companies and attract over 150,000 visitors.

What is energy storage & hydrogen Conference?

As one of the most influential and largest energy storage and hydrogen conferences in the world, the exhibition covers an area of over 70,000 square meters. It brings together more than 600 core energy storage and hydrogen companies from all over the country and is expected to attract over 150,000 visitors. Schedule Conference

How is the energy storage industry developing?

With global consensus reached on carbon peaks and neutrality,energy regulators have been introducing policies favourable to the development of the energy storage industry,with large-scale projects continually being launched both domestically and internationally. Storage technologies are developing rapidlyand the industry is thriving.

On June 4, with blasts of applause, the first "SNEC 2019 Int'l Energy Storage and Hydrogen & Fuel Cell Conference and Exhibition" (referred to as "International Energy Storage and ...
