The EU and its 28 Member States reconfirmed their long-term commitment to promoting peace, stability and prosperity in Afghanistan and to support its sustainable development. Today, the Council of the European Union

The hurried withdrawal of coalition forces from Afghanistan was due to both a lack of foresight/preparedness (with the sole exception of France) and the EU's inability to activate rapid response forces to protect its own citizens sans US support. But the IEF is not the rapid response silver bullet proponents have purported it to be.

Afghanistan Renewable Energy Union &#183; The AREU was established in 2013 and is duly registered with Afghanistan Chamber of Commerce and Industries.
