Enspec Power specializes in the design and manufacture of reactive compensators. Reactive compensation provides any shortfall in reactive capability that is a crucial part of power quality compliance, and therefore a key requisite for exporting electricity and generating income.

Who are enspec?

We've been making businesses more profitable since 1998 when our sibling founders, fed up with the bureaucracy of larger organisations, decided to go it alone and set up Enspec as a friendly, flexible engineering company. Two decades on, we're still a friendly bunch and one of the UK's leading independent specialists in power quality engineering.
