Solar Spark is a leading solar company in Nigeria and in partnership with the best solar manufacturing companies in the world. As one of the leading pioneers of the Nigeria solar industry, we not only sell and distribute high quality solar products, we also provide comprehensive on-grid/off-grid backup and solar solutions for commercial and residential users.

Spark Solar Solutions introduces the best 25kW on-grid solar power system for homes. A 25kW solar system generates approx.4500 units every day from morning 8 am to 6 pm which is sufficient to run multiple air conditioners along with refrigerators, televisions, fans, and lights during the day in a big house. [Get Detail](#)

Full partner solutions. ... "I have been using the Spark solar kit at home since May 2021. I have a family of four and I often have some residual income, which we use to purchase rechargeable torches and candles for light purposes. We charge our torch at a shop nearby. We were grateful to have convenience when we heard about the Spark energy kit.

Spark Solar Solutions introduces the best 45kW on-grid solar power system for homes. A 45kW solar system generates approx.8100 units every day from morning 8 am to 6 pm which is sufficient to run multiple air conditioners along with refrigerators, televisions, fans, and lights during the day in a big house.
