

When I replace the battery in the headset I put the other battery into the base station to charge. This will cause the base station to recognize it, then promptly turn off. I can only get it come ...

submitted 1 day ago by Diezilll Accidentally put the battery in backwards, no suggestions worked after 30 minutes of trying; tweezers, flipping it upside down and wiggle battery left and right, ...

Bought a Nova Headset today, but I'm super confused by the way in which the batteries work. Once I put one in, the base station completely shuts down and the only way to start it up again ...
