

Who is Foshan sunchees?

Foshan Sunchees Energy Technology Co. Ltd. is specialized in solar power products R&D manufacturing and selling products including solar panel complete set solar power system all kinds of pure sine wave inverter controller etc.

Does sunchees offer OEM Service?

Sunchees can offer OEM service as per your specific requirements. Customize the solar system and solar air conditioner solutions in the practical application. Three new products lead the market every year.

Who is sunchees?

We have 12 years professional R&D Team to provide customers best design professional install / test guide and after sale service. Sunchees' products are successfully sold to more than 130 countries. Won five-star praise from 100% customers.

What are the advantages of sunchees?

Sunchees integrates regional resource advantages introduced advanced production equipment specialized production line through international standard management and strict quality control to ensure the stable-performance and high-quality of the products.

Location: Kiribati. Project : 10KW. 12x 550W mono solar panels, 1 PV combiner, 1 10KVA hybrid solar inverter 1 14KWH LiFePO4 battery 1 set solar panel rack and cables . This 10KW Solar Power System is Kiribati community members donate to welfare homes. When the customer contacted us, they hoped to provide a solar energy system for the community's ...
