

What does Ceeg do?

As a tech-driven enterprise, we specialize in advanced transformers, solar energy storage systems, intelligent distribution networks, and hydrogen energy technologies. Our commitment to sustainable development positions us as a key player in these interconnected industries, making CEEG a visionary partner in redefining global energy solutions.

Why is Ceeg a good company?

It has strong waterproof and short-circuit resistance, strong overload capacity, good electrical performance, safety and reliability. Through the simulation analysis of electric field, temperature field and magnetic field, CEEG is the first company in China to pass KEMA's E2, C2 and F1 tests.

What certifications does Ceeg have?

After more than 30 years of development, CEEG has successively obtained the ISO9001 Quality Management System Certification, -IS014001 Environmental Management System Certification, and OHSAS18001 Occupational Health and Safety System Certification, CNAS test authority.

What is Ceeg customer service hotline?

CEEG Customer Service Hotline (025-5209585515301592833) serves as an information communication and customer response platform. We are committed to providing feedback on customer opinions and suggestions within 24 hours.
