

Contact We have been assisting prospective buyers and sellers of real estate in Greece since 1991. Our customers come from all over Europe, the US and even as far as Australia. As traditionally Elxis has been and still is the leading Greek real estate agent operating in the Netherlands and Belgium, our main office is

Outlying Island is a horror adventure puzzle game where players will uncover the truth behind mysterious events in a peculiar small island filled with eerie distortions and intertwined spaces. You wake up on the shore, confused and with hazy memories, to find yourself trapped in a small island overtaken by the authorities.

The Caribbean islands considered part of the United States Minor Outlying Islands include Navassa Island, a small island off the coast of Haiti that is claimed by both Haiti and a small group of Columbians calling the island a sovereign nation; the Baja Nuevo Bank, a small uninhabited sand bank; and the Serranilla Bank, a larger, mostly ...

Greece has a number of picturesque islands, each with their own personality, cuisine, and local charm. As Europe continues to put a higher priority on alternative energy sources and eco-friendly building, Greece has introduced initiatives to create a more sustainable Greece. However, which of the Greek islands are the most environmentally friendly? ...

The closest hospital is also located in Rethymnon (33km). Billions of euros are being poured into infrastructure on the island by the Greek government, upgrading its road and energy networks, while approval has also been given for the construction of a new international airport at Kasteli in what will be Greece's second largest.
