Rolls-Royce will hold a 73.1% majority stake in Qinous GmbH from 15 January 2020. JPG, 257 KB Download image. The Berlin company is to become the competence center for microgrid solutions within the group's Power Systems division; Merger creates broad range of battery storage options for microgrids of all sizes, encouraging eco-friendly ...

Rolls-Royce has expanded the business formerly run as Qinous GmbH into a Microgrid Competence Center. In January, we announced that we had acquired a 73.1% majority stake in the Berlin-based electricity storage specialist. The renaming of Qinous as Rolls-Royce Solutions Berlin GmbH and expansion into a Microgrid Competence Center is further evidence ...

El fabricante alemán de almacenamiento de energía QINOUS GmbH fue uno de los primeros clientes de Danfoss en desarrollar estas soluciones hace mucho tiempo, antes de que este fuera un "tema candente" en la industria energética. QINOUS es un integrador de sistemas de soluciones inteligentes de almacenamiento de energía plug and play (ESS).

Rolls-Royce announced that it is investing in Berlin-based start-up company Qinous GmbH, a provider of what it calls plug and play energy storage and control systems. Qinous has gained experience in the integration of battery storage and energy systems in microgrids in more than 30 projects worldwide, including a Namibian luxury hotel and a ...
