Does wetility offer a flexible financing model?

The upfront costs, however, have been a major constraint for most. Wetility offers a flexible financing model that's similar to a mortgage - customers pay monthly and eventually own the installed solar solution after a given term. To learn more about the company's innovative approach, we chatted to Vincent Maposa, CEO of Wetility.

Will wetility reach a million homes in 10 years?

Wetility is looking to scale at a similar rate to US solar company, Sunrun, i.e., reaching a million homes within ten years. How do you plan on achieving this ambitious target? Our growth is dependent on increasing our capacity.
